

PARTNERSHIP SCHOOL AWARDS

NNPS invites applications for Partnership School Awards to recognize **EXCELLENT** programs of school, family, and community partnerships. YOUR SCHOOL is eligible to apply if it has been a member of NNPS for **two years or more** and can show that it is developing a research-based program of family and community involvement for student success in school.

Put your school in the spotlight! Celebrate the hard work that your Action Team for Partnerships (ATP) and colleagues are doing to engage families and community partners in ways that support student success. Help other schools in this and other countries see what partnership teams do to keep improving their programs from year to year.
